Here is an exciting Bible reading plan. Each day of the week, you will read from one to six chapters out of a different part of the Bible. Each week, you will cover one or more chapters from every major area of the Bible. But, by switching areas daily, your Bible reading becomes more interested. You can read the sections in a different order if you want. For instance, if Monday's really busy, read from the Psalms or Gospels instead of reading from History. Likewise, if you have spare time on Tuesday, read the week's reading from Prophecy, saving Psalms for later in the week when you might not have as much spare time.

**Always Pray Before You Begin Your Reading.**
